<b>System of Care Programs</b>	<ul style="list-style-type: none"> <li>Planning District 1/Family Functional Therapy (FFT)</li> <li>Richmond Behavioral Health Authority/Multi-Systemic Therapy (MST)</li> </ul>	These programs are funded with state general funds. They began in 2005 as demonstration projects and have a total funding of approximately \$1,000,000.	These programs provide funding for an evidence based practice (either MST or FFT) to be implemented in a community in order to expand the current system of care available for children and adolescents with mental health treatment needs. These programs specifically target those youth with involvement in the juvenile justice system and provide wraparound community mental health services aimed at keeping youth in less restrictive community placements.	<p><b><u>Planning District 1</u></b> Kenneth Taylor 276-523-8316 <a href="mailto:ktaylor@frontierhealth.org">ktaylor@frontierhealth.org</a></p> <p><b><u>Richmond</u></b> Pamela Gilley 804-819-4039 <a href="mailto:gilley@rbha.org">gilley@rbha.org</a></p>
